

Let's grow together!

Help us build a Healthier Northshore

The
Samaritan
Center
Food Bank

Join St. Tammany Health System and the Healthier Northshore initiative as we install our second community garden, this time in Folsom, made possible by the generous support of the Samaritan Center. This is your chance to give back, get your hands dirty and help bring fresh, healthy food to the community. Come dig in with us and be part of something that will take root and flourish for years to come.

When: 9 a.m. to noon Saturday, March 22, 2025.

Where: Magnolia Park, 13296 Louisiana 40, Folsom.

Details: Volunteers can sign up by registering via QR code below. Reach out to Anne Pablovich apablovich@stph.org with any questions!
